RLH FIBER OPTIC LINK
Real Protection...

RLH Industries, Inc. is now offering a 30% TRADE IN ALLOWANCE towards the purchase of its Fiber Optic Link Extended Distance equipment. This is a 1 for 1 trade in for circuit counts.

Customers trading in obsolete isolation devices that are Isolation Transformers, Neutralizing Transformers, Teleline Isolaters, English Transformers, and Hi-Guard Isolaters will be credited a discount of 30% toward the purchase of RLH Industries, Inc.'s Fiber Optic Link Extended Distance Equipment.
