PEDESTAL (TYPE-03) SEMI-BURIED

RLH Semi-Buried Type-03 Pedestal enclosures feature interlocking bases for solid mounting foundation, and stand approx. 36" high when the base is buried. Mounting stakes or platforms are not required for installation, and the heavy duty all-dielectric plastic housing is outdoor rated and corrosion proof. Pedestals include treated plywood backboard mounted to a steel frame, pre-wired snap lock gel-filled copper terminal, convenient ground bar, and lockable covers with hex head self-locking system and padlock hasp.

Type-03 pedestals are available with 2, 5, 8 or 12-card Fiber Optic Link housings, and gas tube protection is available as a standard option.

Shown with 8-card shelf installed

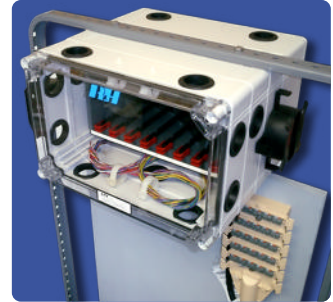

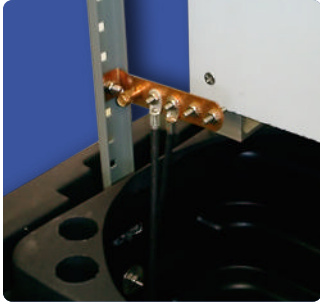

Standard Features

- All-dielectric plastic construction
- Internal steel frame
- Fire treated and painted 3/4" plywood backboard
- Self-locking cover with hex head release
- Padlock locking hasp
- Space for 2, 5, 8 or 12-card fiber link housings
- Pre-wired copper terminal, gas tube protection optional
- frame-mounted ground bar
- Oversize interlocking base for solid foundation
- Heat dissipation vents for sensitive equipment
- Base can accommodate up to 10 4" conduits
- Removable cover permits 360° access to equipment

Standard Specifications

| | |
|------------------------|--|
| CONSTRUCTION: | All-dielectric forest green vented plastic housing with self-locking cover and padlock hasp |
| MOUNTING STYLE: | Semi-buried, approx. 36" above grade |
| SIZE: | (Unburied) H48" x W20" x L14" |
| INCLUDED: | Steel frame with fire treated and painted 3/4" plywood backboard, integrated ground bar, includes pre-wired copper terminal on Telco Interface Units |
| OPTIONS: | 2-card Fiber Optic Link housing, 5, 8 or 12-card Fiber Optic Link shelf, Gas Tube Protection |

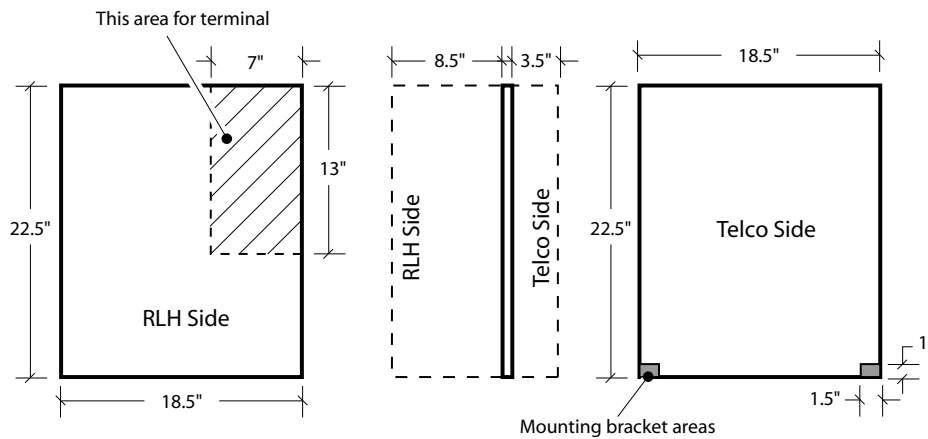

| Part Number | Description | Pre-wired Terminals |
|--------------|-------------------------------|---------------------|
| 8806-1285-03 | Dielectric Pedestal (Type-03) | Not included |

Telco Interface Units:

| Part Number | Description | Pre-wired Terminals |
|----------------|---|--|
| 8806-1405-03 | Dielectric Pedestal (Type-03) with 2-card housing | 6-pair copper terminal |
| 8806-1409-03 | Dielectric Pedestal (Type-03) with 5-card shelf | 10-pair copper terminal |
| 8806-1406-03 | Dielectric Pedestal (Type-03) with 8-card shelf | 25-pair copper terminal |
| 8806-1408-03 | Dielectric Pedestal (Type-03) with 12-card shelf | 25-pair copper terminal |
| 8806-1405-03PT | Dielectric Pedestal (Type-03) with 2-card housing | 6-pair copper terminal with gas tube protection |
| 8806-1409-03PT | Dielectric Pedestal (Type-03) with 5-card shelf | 10-pair copper terminal with gas tube protection |
| 8806-1406-03PT | Dielectric Pedestal (Type-03) with 8-card shelf | 25-pair copper terminal with gas tube protection |
| 8806-1408-03PT | Dielectric Pedestal (Type-03) with 12-card shelf | 25-pair copper terminal with gas tube protection |
