

**RLH Industries, Inc.**

**Rack Mount Patch Panels**

The 12 Port and 24 Port RLH Rack Mount Patch Panels are used to house fiber terminations and accommodate patching of fiber links. The enclosure can be installed into 19" or 23" racks and is constructed of powder coated steel with convenient swivel out base for easy access to fiber optic cables. Cable management hardware is included. Size: 12-port: 1.87"H x 17"W x 9.75"D, 24-port: 3.62"H x 17"W x 9.75"D

**RLH-12RST-01**
