RLH Mini 12-Port Wall Mount Fiber Optic Patch Panel

RLH Mini 12 Port Wall Mount Patch Panels are used to house fiber terminations and accommodate patching of fiber links. The enclosure is constructed of thermoplastic with a hinged door secured with a 3/8" hex nut, and may be padlocked. Cable management hardware is included. It is available unloaded, without the adapter plates pre-installed. Adapter plates are available separately in several different fiber connector configurations.

Size: 11.5"H x 9.5"W x 4.75"D
