RLH Mini 6-Port Wall Mount Fiber Optic Patch Panel

RLH Mini 6 Port Wall Mount Patch Panels are used to house fiber terminations and accommodate patching of fiber links. The enclosure is constructed of thermoplastic with a hinged door secured with a 3/8" hex nut, and may be padlocked. Cable management hardware is included. It is available unloaded, without the adapter plate pre-installed. Adapter plates are available separately in several different fiber connector configurations.

Size: 11.5"H x 9"W x 3.5"D

Part Number	Description
