

RLH Industries, Inc. 2-Card Rack Housing with Guide Rails

Description

The Fiber Optic Link dual card rack mount housings are steel enclosures specifically designed to house up to two (2) Fiber Optic Link cards. Cards are mounted via guide rails. A swing out base allows for easy access. The housings are 19 or 23 inch rack mountable. A power adapter can be provided to accept either a 100-240VAC or 110-370VDC input. Cable management hardware is included.

Specifications

Dimensions (HxWxD) Inches: 3.5 x 17 x 9.75 (2RU)
