# Wall Mount 19" Rack Bracket

EIA 19" 1RU AND 2RU EQUIPMENT RACKS

## Description

The RLH Wall Mount 19" 2RU Rack bracket simplifies the mounting of 19" rack equipment to a wall or panel surface. Constructed of heavy duty stainless steel, this 2RU (2 Rack Unit) bracket features slotted mounting holes and a hinged rack ear that allows the user to gain access to the rear of mounted equipment without having to completely remove it from the rack.

Rack mount and wall mount hardware is included. Part number information is listed on page 2.

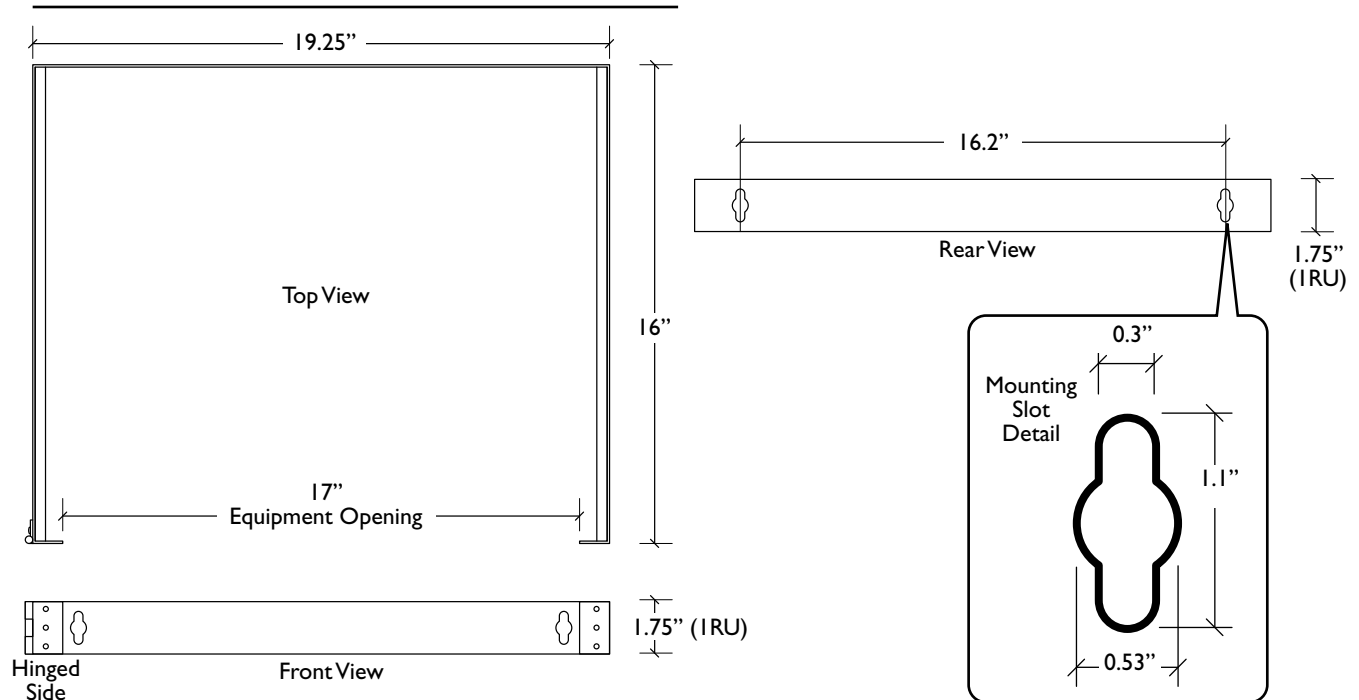

RLH Wall Mount 19" 1RU Rack Mount Bracket
