## LARGE FIBERGLASS CABINETS

The RLH large fiberglass cabinets provide an indoor or outdoor rated all-dielectric housing Fiber Optic Link and Telco equipment located inside high voltage environments. Constructed of fiberglass-reinforced material the cabinet has excellent temperature and chemical resistance. The cabinet features 3/4" plywood backboard, venting, hasp for padlocking, and doorstop.

Part Number	Description
RLH-363016-F	H36" x W30" x D16" Fiberglass Cabinet
RLH-363616-F	H36" x W36" x D16" Fiberglass Cabinet
RLH-483616-F	H48" x W36" x D16" Fiberglass Cabinet
RLH-603616-F	H60" x W36" x D16" Fiberglass Cabinet
