

Fiber Optic Jumper Cables

HIGH QUALITY PATCH CABLE ASSEMBLIES

Description

RLH manufactures high quality fiber optic cable assemblies for the Telecom, CATV, Datacom, Military and Broadcasting industries. Fiber optic jumpers or patch cords are ideal for short distance patching applications. Fiber patch cords are fully tested to meet or exceed industry requirements.

Cables can be ordered with one end unconnectorized as a pigtail for splicing applications. All assemblies are provided with individual test results. RLH maintains stock of standard jumpers and is capable of fast production for custom lengths and connector configurations.

Warranty

RLH is recognized throughout the U.S. and offers the only **UNCONDITIONAL LIFETIME WARRANTY** in the telecommunications industry. We are very proud of our warranty which simply states that our Fiber Optic Link Assemblies are warranted to be free of defects in material and workmanship for the **LIFE OF THE PRODUCT**.

We can offer this warranty because:

- We believe our customers shouldn't have to incur additional costs due to failure or damage
- We engineer and manufacture our Fiber Optic Links in the USA, with total confidence in our quality
- We understand how safety and reliability impact the total cost of ownership
- We know that customer support extends beyond the initial sale, so **we stand behind our products**

RLH will replace any product, or part thereof, that fails **FOR ANY REASON**, provided the defective part is returned to RLH Freight prepaid. This warranty is **UNCONDITIONAL** and valid even when RLH Fiber Optic Link Assemblies have been abused or mishandled, where unauthorized repairs have been attempted or performed, or product has been damaged as a result of a natural disaster. Compare this warranty to our competitors and see how our warranty will reduce your costs and simplify your maintenance activities.

To make a warranty claim, or schedule repair or replacement of your RLH product, please contact us for an RMA number. You will be promptly assisted by one of our warranty specialists. All returns must have an RMA number before we can receive any items.
