Bulk Fiber Cable

Get a Spool Out to the Job Site

With a large fiber cable product offering from everyday cables to hard-to-find specialty cables, RLH can meet the demands of any project large or small. Cable can be ordered at any length and we only carry the highest quality cable from manufacturers that you can trust.

Key Features

- ◆ Cut to any length
- ◆ Quick-response shipping
- ◆ Ships on wood spool
- ◆ Singlemode and Multimode up to 100G (OM4)
- ◆ Leading Industry Brands: Corning, AFL, Superior Essex, and more

Ordering Information

RLH –

A	
---	--

B	
---	--

C	
---	--

 –

D

A - Strand Count

02 = 2 fibers **48** = 48 fibers
04 = 4 fibers **72** = 72 fibers
06 = 6 fibers **96** = 96 fibers
12 = 12 fibers **C4** = 144 fibers
24 = 24 fibers

C - Fiber Type

SM = Singlemode (8-9/125)
MM = Multimode (62.5/125, OM1)
M5 = Multimode (50/125, OM2)
MX = Multimode 10G (50/125, OM3)
MC = Multimode 10G (50/125, OM4)
HY = Hybrid

D - Unit of Length

FT = Feet
M = Meters

B - Cable Type

Loose Tube:

CR = Indoor/outdoor riser
CP = Indoor/outdoor plenum
CI = Indoor/outdoor riser armored
CQ = Indoor/outdoor plenum armored
PL = Indoor plenum
PQ = Indoor plenum armored
CO = OSP
CD = OSP armored
AO = ADSS
F8 = Figure 8 (Aerial Messenger)

Tight Buffer:

IR = Indoor/outdoor riser
IP = Indoor/outdoor plenum
ID = Indoor/outdoor riser armored
QD = Indoor/outdoor plenum armored
RI = Indoor riser
PI = Indoor plenum
RD = Indoor riser armored
PD = Indoor plenum armored
TT = Tactical

Ribbon:

CB = OSP
BD = OSP armored
RB = Indoor riser
PB = Indoor plenum
