

Ordering Information

iMux-SFP Multiplexer - Modular Ordering Matrix

- ▶ Use the Modular Ordering Matrix to have the systems pre-installed before shipping for quick and easy deployment.
- ▶ 2 multiplexers are required for a complete system.
- ▶ Each Service Port Module has 4 channels.
- ▶ Bi-directional single fiber models require an **A** side SFP and a **B** side SFP or a complete system.
- ▶ Please contact your RLH sales representative for pricing and delivery information.
