

## Fiber Adapter Plates

Wide Range of Fiber Adapter Plates to Complete Your Fiber Solution

### Description

RLH Fiber Adapter plates are needed to complete your fiber patching or splicing solution. We offer both black and light grey colored plates, singlemode, multimode, and a wide variety of adapter configurations.

Our fiber adapter plates are compatible with all RLH fiber patch panels except for the Optimum Series. Since our adapter plates are designed to a common industry size, LGX form factor, they may also be compatible with many pre-existing patch panels.

Fiber Adapter Plates can be ordered individually or pre-installed into select RLH fiber optic patch panels.

### Key Features

- Available in Light Grey and Black.
- Plate Features common LGX foot print size.
- Compatible with any Fiber Patch Panel that supports LGX Foot Print Adapter Plates.
- Constructed out of light weight aluminum.
- Available with: ST, SC, LC, FC, MTP/MPO, and MTRJ Adapters.

Fiber Adapter Plates

\* Plates may slightly vary in size
