

DATA SHEET

Rack Mount Adapter Plate Holders - 1RU

Convenient Rack Mounting of Fiber Adapter Plates

The Rack Mount Adapter Plate Holders - 1RU offer a compact, cost effective way to breakout fiber in a rack mount environment where splicing is not necessary. Durable, powder coated, steel construction (standard color black).

The 1RU rack mount models hold standard RLH Fiber Adapter Plates (black) sold separately. The Adapter plate holders are also compatible with any LGX foot print adapter plates.
