Rack Mount DIN Rail Bracket

Conveniently Rack Mount DIN Rail Equipment

The RLH Rack Mount DIN Rail Bracket provides a sturdy and secure way to attach a T35 (35mm) DIN rail to a standard EIA 19/23 inch equipment rack. The bracket uses 2 rack spaces (2RU), and the DIN rail is recessed so that attached DIN devices are recessed from the front of the rack.

Vented, welded steel construction provides strength to accept a variety of industrial DIN mount equipment. Rack mount hardware and cable management clips are included.

Key Features

- Standard T-35 DIN Rail
- Removable DIN Rail
- Designed to fit standard EIA 19" Racks, optional 23" Rack Extension Kit
- Requires only 2RU rack space
- Heavy duty welded steel construction
- Includes rack mounting hardware and cable management clips
- Recessed design provides added component protection
- Vented back and sides
