DATA SHEET

Rack Mount DIN Rail Bracket

### Conveniently Rack Mount DIN Rail Equipment

The RLH Rack Mount DIN Rail Bracket provides a sturdy and secure way to attach a T35 (35mm) DIN rail to a standard EIA 19/23 inch equipment rack. The bracket uses 2 rack spaces (2RU), and the DIN rail is recessed so that attached DIN devices are recessed from the front of the rack.

Vented, welded steel construction provides strength to accept a variety of industrial DIN mount equipment. Rack mount hardware and cable management clips are included.

Rack Mount DIN Rail Bracket
